I had to decline my speakers spot at 23Wolfram Virtual Tech. Wolfram's NDA was to contentious. Words of who owns intellectual property in perpetuity worries me and made signing document impossible. This geometry by the SandBox is Prior Art original, novel and nonobvious. Two points of proof.

When counting space curves, for basic elementary analysis, M1 Surface Acceleration is first curve making Mercury#2 and Venus#3.

Rest Energy curves of a Central Force is a range parameter with respect to M1 spin. (see post; vertical banner(4) 2022 mathfest Philly.

I cannot just rip it from my mind and hand to someone else's perpetuity. It is my perpetuity. Sad world today, my soul and mind bleeds for Israel.
